Zhou, Xin-fu: see Kuang, Pei-gen

## Subject Index

Analgesic effects of small-sized fibres influenced by naloxone, 159

Acupuncture and rehabilitation, 137, 143, 146

Acupuncture and the three heaters, 54

Acupuncture,

effect on disorders of musculoskeletal system, 106

effect on normal side to snapping finger, 137

in treatment of meniere's disease, 102

in treatment of osteoarthritis deformans, 146

its relationship to B-endorphin, 150

for treatment of meniere's disease, 104

Acupuncture loci,

for treatment of musculoskeletal lesions, 107

for treatment of snapping finger, 137, 144

Acupuncture or analgesia: relief of chronic pain by, 192

Acupuncture or anesthesia: relief of surgical pain by, 151

Amino acid, effect of on growth of tumor cell, 69

Ayurveda, personality type in, 25

Ayurveda, the Indian system of medicine, 25

Book review, 161

Cerebral infarction, treatment of by safflower, 62

Chinese medicinal drugs, effect of on growth of tumor cells, 69

Chinese traditional medical practice in Singapore: characteristics of providers, 16

Chinese traditional medical practice in Singapore; physicians in private practice, 43

Chinese traditional medicine, genetic and biochemical confirmation of diagnostic technique in, 35

Clinical acupuncture, recent developments in, 150

Diagnostics used in Chinese traditional medicine; genetic and biochemical confirmation of, 35

Electroacupuncture: diagnosis of diseases by, 154

B-endorphin, its relationship to acupuncture, 150

# INDEX TO VOLUME XI, 1983

- Flos Carthami (safflower), 62
- Garlic, effect of on growth of tumor cells, 69
- Ginseng saponins,
  - effect on plasma lipids in normal and tumor-bearing rats, 90
  - effect on plasma lipid level, 84
  - effect on synthesis of lipids and fatty acids, 91
  - effects on lipid metabolism, 88
  - mechanism of plasma lipid-lowering action of, 85
- Guava juice, hypoglycemic effect of, 74
- Guava (*Psidium guajava* Linn), 74
- Health care in Singapore: the role of Chinese traditional medical practice, 16, 43
- Hypoglycemic effect of guava juice, 74
- I-mu Ts'ao (*Leonurus artemisia*), 77
- Indian system of medicine: Ayurveda, 25
- Leonurus artemisia* (I-mu Ts'ao), 77
- Letters to the editor, 163
- Meniere's disease, treatment of by acupuncture, 102
- Meridian-cortex-viscera interrelationship, hypothesis of, 5
- Meridian point, exact localization and physiological action of, 6
- Meridians, skin resistance changes on under general anesthesia, 123
- Moxibustion, effects of on phagocytic activity, 112
- Musculoskeletal disorders, treatment of by acupuncture, 106
- Naloxone: influence of on analgesic effects of small-sized fibres, 159
- Osteoarthritis deformans: treatment of by acupuncture and rehabilitation, 146
- Panax ginseng*, effect of on plasma and hepatic lipids in high cholesterol diet-fed rats, 96
- Panax ginseng*, effect of on serum lipid level, 98
- Personality types in Ayurveda, 25
- Phagocytic activity: effects of moxibustion on, 112
- Plasma lipid-lowering action of ginseng saponins, 84
- Psidium guajava* Lina (gerava), 74
- Recent developments in clinical acupuncture, 150
- Safflower (*Flos Carthami*), 62
- Singapore, Chinese traditional medical practice in, 16, 43
- Skin resistance,
  - under acupuncture anesthesia, 133
  - under local anesthesia, 133
  - under general anesthesia, 123
- Soma juice, 14
- Three heaters as meridian, 59
- Traditional medicine: WHO update, 1
- Tumor cells: effect of garlic, Chinese medicinal drugs and amino acids on growth of, 69
- Uterotonic effect of I-mu Ts'ao, 77
- Zusanli (St-36) and afferent vagus nerve, 9
